Ab Compass Card Oy Ltd Ab Compass Card Oy Ltd is a subsidiary of the Bank of Åland Plc. The mission of the company is to issue credit and debit cards to private and institutional customers. The company is in the start-up phase and is expected to begin its operations during 2009. The company currently has 6 employees and offices in Mariehamn and Helsinki. Crosskey Banking Solutions Ab Ltd Crosskey Banking Solutions Ab Ltd is a wholly-owned subsidiary of the Bank of Åland Plc. The mission of the company is to develop, sell and maintain banking computer systems ' either as whole systems or in modules ' to small and medium-sized banks in Europe, as well as sell operational services. Among Crosskey's current customers are DnB NOR, S-Bank, Tapiola Bank, the Bank of Åland, eQ Bank and EGET. Crosskey currently has 155 employees and offices in Mariehamn, Turku, Helsinki and Stockholm. Ålandsbanken Asset Management Ab Ålandsbanken Asset Management Ab is a subsidiary of the Bank of Åland Plc. The company offers asset management services to institutions and private individuals. The company also manages all of the Bank of Åland's mutual funds. The year 2008 began in the shadow of the global financial market crisi s. The influx of new customers slowed significantly, and it was challenging to maintain portfolio values. However, due to the company's conservative investment strategy, disruptions in the investment environment primarily represented opportunities for buyers to take advantage of bargains in the markets. Despite the market situation, the company maintained the same level of profitability as the year before. The company currently has about 350 customers and EUR 900 M in managed assets. Assets of private individuals available for financial investment continue to grow. When the trend towards putting these assets under management also increases, the company will enjoy good future prospects. Ålandsbanken Fondbolag Ab Ålandsbanken Fondbolag Ab is a wholly-owned subsidiary of the Bank of Åland Plc. All the mutual funds (unit trusts) that the company manages are registered in Finland. On June 30, 2008, the total number of unit holders was 14,236 (14,232 on June 30, 2007). Assets under management totalled EUR 318 M (425), a decrease of 25 per cent. Ålandsbanken Veranta Ab Ålandsbanken Veranta Ab is a subsidiary of the Bank of Åland Plc. Its operations include estate agency, appraisal and consulting business. The company currently has 10 employees and offices in Helsinki, Espoo and Tampere. Changes in Group structure On June 30, 2008 the Bank of Åland Plc subscribed for shares issued by Ålandsbanken Veranta Ab. As a result of payment the Bank of Åland's ownership stake is rising to 92.9 per cent. Important events after the close of the report period No important events have occurred after the close of the report period. Outlook for 2008 The Group's financial planning assumes unchanged interest rates, a continued positive trend in business volume at low margins, especially on deposits, stable earnings in asset management operations and good growth in the Group's IT operations. Income from IT operations during the rest of the year is expected to be substantially better than during the first half. The cost level in the Group is expected to rise, due to increased regulatory requirements as well as investments in new skills. Competition in the banking market is expected to remain tough and to be affected by international financial market instability. However, the Bank is not expected to be affected by significant loan losses during 2008. Based on the se factors, and taking into account that 2007 earnings included large nonrecurring items, the Group's operating income is expected to be lower than in 2007. It should be added that at present there is great uncertainty in the global financial system. The Bank of Åland is not directly affected by this, but if the situation should deteriorate

Group will present its financial statements in compliance with the revised IAS 1 no later than for the financial period that begins on January 1, 2009. IFRS 8, "Operating Segments" The standard requires that a company provide financial and descriptive disclosures about its operating segments. IFRS replaces IAS 14, "Segment Reporting". The Group will present its financial statements in compliance with
IFRS 8 no later than for the financial period that begins on January 1, 2009. IFRIC 14, "The Limit on a Defined Benefit Asset, Minimum Funding Requirements and their Interaction" This interpretation
clarifies the limit on asset value in case of a pension plan surplus, as well as how minimum pension plan funding requirements affect this value. The Group is applying IFRIC 14 beginning on January 1,
2008. The Group is not affected by amendments to the following: IAS 23, "Borrowing Costs" IFRIC 12,
"Service Concession Arrangement" IFRIC 13, "Customer Loyalty Programmes" 3. ESTIMATES AND
JUDGEMENTS Preparation of financial statements in compliance with IFRSs requirements the
company's Executive Team to make estimates and judgements that affect the recognised amounts of assets and liabilities, income and expenses as well as disclosures about commitments. Although these
estimates are based on the best knowledge of the Executive Team on current events and measures,
the actual outcome may diverge from these estimates. 4. SEGMENT REPORT The Bank of Åland Group

reports the various business segments as primary segments. A business segment is a group of
departments and companies that supply products or services that have risks and returns that diverge
from other business segments. Intra-Group transactions occur at market prices. The Bank of Åland
Group does not report geographic segments as secondary segments, since all operations occur in
